

## Include a gift to Acts for Water in your Will

A gift to Acts for Water in your Will is a legacy that will keep the water flowing for generations to come.

Imagine the lasting change your generosity will create for those without clean, safe water!

## You can give your legacy gift in the following ways:

- After you have provided for your family and loved ones, your generosity in giving a **percentage** of the assets left over in your estate will make a difference.
- You can also give a gift of a **specific dollar amount** to Acts for Water in your Will.

Both of these options allow you to provide clean water for communities Acts for Water walks alongside in the future.

Every gift – whether large or small – will have an impact on the lives of those we serve.

### Sample wording:

*“I give and bequeath to Africa Community Technical Service Society – PO Box 30044 Moncton PO Richmond BC V7E 0A6 \_\_\_\_\_ % of the residue of my Estate for its charitable purposes.”*

*Your legacy gift today will live on to provide brighter futures  
for generations to come!*
